Introducing PacWest

Our service is based on UNBEATABLE WHOLESALE PRICES for Labor & Material Packages, Quality Installations & Production geared to meet construction schedules on any type & size of project.

Specializing in Assisted-Livings, Senior Living Facilities, Apartments, Motels, Multi-Family Projects, Condominiums, Townhomes, Commercial Buildings, Tract or Custom Housing, PacWest Contracting LLC (PacWest) does it all. PacWest has 30+ years of solid experience in the Pacific Northwest, Southwest & western states subcontracting multi-trade labor & material packages on a wide range of projects. Our company only employs qualified installers and has the manpower, tools & equipment needed for fast-track production.

Most importantly, we understand the performance & prices required to meet the budgets, expectations & needs of the best general contractors. Our references will attest to this fact! PacWest would appreciate the opportunity to submit separate, competitive & timely proposals for each trade listed above on any current or upcoming projects. PacWest believes our selection of your team will prove to be a valuable choice! Our longstanding #1 commitment is to satisfy the general contractor, owners & lenders.

Give us a call, we'll do our best to prove ourselves at all times. In addition, PacWest is mobile, willing to travel and our Material Prices are Direct Mill Wholesale (based on 100% accurate takeoffs that we guarantee!!)

PacWest is Licensed, Bonded & Insured in Oregon, California, Utah, & Idaho.

Thank You!
